6 000 - 10 000	3 000	2 000	1 000	2 400
12 000 - 16 000	3 000	2 000	1 000	2 800

## General

The specifications as shown are only guidelines.

To determine the optimum configuration a detailed mass distribution should be done.

Specific chassis and body configuration must be taken in consideration.
